

Hope and Optimism

A solid foundation of self-worth is so important, especially for the children who grow up in families where economic hardship is a grim reality. Hope is often elusive as they quietly endure the struggle. There are over 500 people facing this in our local community. Lets help them dream bigger and build a better future by giving them a great party where we share over 5,000 items they desperately need.

*"Pray as though everything depended on God.
Work as though everything depended on you."
— St. Augustine*

Imagine

The The Christmas Miracle 2017 will create positive memories for so many.

Imagine...

- The peace of mind for our neighbors who will receive much needed clothing and winter coats;*
- The unity within our community when over 100 volunteers work together to make a difference;*
- The empowerment of new learning tools and experiences in the hands and minds of children.*

Imagine how'd you feel knowing you helped someone else see that they matter.

Come make bigger dreams possible.

A Volunteer

Help as an individual or build a team of volunteers. Don't forget to bring age appropriate children to help out and participate in making a difference.

A Donor

People need a lot of stuff. Please donate new and used goods from our list. If you can, organize your workplace as a collection point for your co-workers.

A Benefactor

Money provides the necessary push to deliver what is needed. 100% of all donations go directly to the cause and with our purchasing discounts, each dollar goes further.
