**Extended School Care Sign-in / Sign-out Procedures**

To ensure the optimal safety of children participating in the Extended School Care Program, the Extended School Care supervisor will be responsible for signing in each child when they are picked up from their homeroom teacher after school. The child will be signed out by the parent/responsible party when the child is picked up from Extended School Care (unless picked up by an older sibling). Due to safety regulations, a child will not be permitted to leave the school with anyone except a parent unless they are listed as an alternate pick-up contact on the registration form or an older sibling. If you plan to use an alternate pick-up person, preferably email the school office prior to pick-up to notify the school of the alternate contact person for that day. They will be required to show appropriate identification.

**Next Steps**

The program starts on **Monday, August 20, 2018**. Only those children whose registration forms have been thoroughly completed will be ready to participate on that day.
