

Dear Parents,

Band For Today is pleased to offer your child an opportunity to participate in the school instrumental music program. Band For Today has looked at your child's physical characteristics to help guide the instrument selection. Classes are organizing for the following instruments:

TRUMPET
TROMBONE

SAX
CLARINET

FLUTE
SNARE DRUM

Your child has successfully auditioned for the school band and we recommend them on one of the highlighted instruments above.

(Students may not receive their first choice instrument to ensure a balanced band.)

This is a worthwhile activity and students HAVE FUN doing it. As students progress they will get to perform concerts, go to solo contests, play at exciting events, and win prizes and medals.

**Giving your child music lessons is one of the best things you can do for them...
Music is a gift that will last throughout their lives!**

REGISTER EARLY TO GET YOUR FIRST CHOICE INSTRUMENT!
