Acting is Fun!

Perform in a Play!

GRADES 1-6

No previous acting experience is necessary. New and returning students are welcome to join and participate in new skits and theater games. The theater games help the students use their creativity to communicate and improvise. Every student will play at least one lead role per session. The students will learn theater terms, the parts of a skit, and goals of the characters. On the last day of the program, the skits will be performed, and each child will receive a participation award. Parents are invited to attend the performance on the last day!
